Dear George & Sherry,

We were honoured to have your support during the David Foster Foundation's *Simply Spectacular* fundraising event, July 30 to August 2 at the Villa Eyrie Resort. Thank you again for your amazing donation of the stunning White Spirit Lodge during the 2019 Gold Medal Plates competition. Your Lodge is simply breathtaking, Cass and I are so grateful you took the time to take us to Big White to show us your magnificent home.

The overwhelming response we received from all our attendees proved that it was a *Simply Spectacular* event. We could not have done it without you!

The best part... because of your generous support we were able to raise over **2 million dollars** for families with children in need of a life-saving organ transplant. Thank you for making it possible for us to help these families while they bravely face the difficult moments of their child's transplant journey.

We are continually inspired by both the strength of our families and the compassion of our donors.

It is our hope that this event was only the beginning of many destination fundraisers, so that more families will have a place to turn to for years to come.

Thank you again for George & Sherry! Your generosity and friendship is humbling.

With sincere appreciation,
